ACTIVITY TWO

Currency Detective

Look closely at the real money in your box. Every coin and note tells a story.

Whose face or figure is on the money? Who were they?

What symbols, animals, plants, or buildings can you spot?

What do you think those pictures say about this country?

What is it worth in US dollars?

Older or newer than you expected?

ACTIVITY THREE

Think Like a Traveler

Talk it over or write it down. There are no wrong answers — only good questions.

1. How is daily life in this country different from yours?

2. If you visited, what is the first thing you'd want to try?

3. What did the money teach you about this place?

4. What surprised you the most?

5. What is one question you still have?

Keep exploring — a new country every month.
